A VERTICAL SEQUENCE OF RELATED SOIL LAYERS

Sequum 2005 Napa Valley Four Soils Melange Cabernet Sauvignon

This 100% Cabernet Sauvignon has a medium-intensity garnet color and aromas of super ripe blackberry, kirsch and raspberry that interplay with hints of black tea, cocoa, and subtle spice, introducing an elegant and balanced wine from this exceptional vintage. The palate adds lush, expressive dried cherry and forest floor notes characteristic of Cabernet Sauvignon picked at the peak of ripeness with nuances of vanilla and hazelnut gently extracted during aging in 50% new French oak. Bright acidity leads into a fully extracted mid-palate and a smoky lingering sweet fruit finish weighted by firm, nutty tannins that will continue to evolve over the next 6-8 years.
